Pittsburgh Opera to host 19th Annual Piano Sale August 27-30

[Pittsburgh Opera](#) will be hosting its eagerly-anticipated annual piano sale at its headquarters the [Bitz Opera Factory](#), at 2425 Liberty Ave. in the Strip District from Thursday, August 27th through Sunday, August 30th. Over 250 pianos will be available, across all price points.

Patrons wishing to attend the sale are encouraged to make an appointment by either calling 412-206-5582 or registering online at pittsburghoperapiano.com. Complimentary on-site parking is provided.

Every year, Pittsburgh Opera receives a free loan of new pianos from [Solich Piano](#) – Yamaha's *Dealer of the Year* - for rehearsal, coaching, and performance needs. To support this ongoing loan program, these and other fine pianos are offered for sale after each season. All pianos are sold at institutional prices not normally available in retail stores.

In addition to the gently-used pianos which have been loaned to Pittsburgh Opera, the sale will include a wide range of grands, uprights, digitals, hybrids, and Disklavier player pianos, as well as other used pianos being sold at significant discounts. New and used pianos will be available for sale from top-quality brands such as Yamaha, Steinway & Sons, Bösendorfer, Clavinova, Baldwin, Schimmel, Kawai, and others. **All of the pianos - new and loaned - come with manufacturer warranties and technical services. Delivery and special financing is available, and trade-ins are welcome.**

Anyone who comes to the sale can enter a drawing to win a free pair of season tickets to Pittsburgh Opera's upcoming 2026-27 season's productions of [Rigoletto](#), [Orpheus & Eurydice](#), and [Romeo & Juliet](#).

Pittsburgh Opera celebrates its 88th season in 2026-27. Established by five intrepid women in 1939, Pittsburgh Opera is viewed as one of the most vibrant opera organizations in the U.S., with a rich artistic tradition, outstanding educational programs, an acclaimed Resident Artist training program, and a progressive outlook toward the future. Its green initiative culminated in LEED® Silver certification for its Strip District headquarters the Bitz Opera Factory. Its role as a true community partner continues to expand under General Director Bill Power's leadership.
